Cross-border Networking Circular Cities Summit

IFLA ASIA-PACIFIC
INTERNATIONAL FEDERATION
OF LANDSCAPE ARCHITECTS

IFLA 75

PANEL DISCUSSION 1 - DAY 1, 11.00
“Envisioning Circular Cities -
A multidisciplinary & Collaborative
approach”

Dr. **Bruno Marques**, President of IFLA,
will join this panel with leaders from various
fields, including urban planning, architecture,
economics, and sustainability.

They will explore how a **collaborative
multidisciplinary approach** is essential
for envisioning and implementing circular
cities successfully.

«The **Circular Cities Summit** stands as
an emblem of hope and progress. It is a
response to the clarion call for sustainable
cities, where waste is minimized, resources
are cherished, and the echo of its impact
resonates for generations. Together, as
stewards of the urban landscape,
we embark on a journey of transformation,
driven by purpose and guided by
innovation».

Upcoming Prospect

- ISOLA actively seeks to become the hosting nation of APR Congress in 2025, we will have Urmila Rajadhyaksha to share with us the 2025 Proposal later.
- Election Result
- Company Registration and Constitutional Update
- 2050 APR Congress

Last but not least, I would like to extend my sincere gratitude to all the incumbent and incoming ExCo members and WG chairs for their dedication to IFLA APR. The upcoming transition to the new term is poised to embody the enduring spirit of IFLA APR.

Thank you, it's been an honor to serve as the IFLA APR President in the past two years.

Thank you
