|-----|---|--|----------|
|     | Hon Secretary called the meeting to order at 8:45 AM  |  |          |
| 1   | DDECIDENT'S WELCOME   |  |          |
| 1   | PRESIDENT'S WELCOME   |  |          |
|     | President welcomed everybody and thanked congress organising committee.   |  |          |
|     |   |  |          |
| 2   | APOLOGIES   |  |          |
|     | A letter of apology sent by the CHSLA president was presented. CHSLA noted that required edits to the list of organisations which were to take part in the meeting were not able to be completed in time (due to technical difficulties) to allow their representatives to attend the meeting. The edits were required under the one China policy that CHSLA must follow, which meant that their representatives will not take part in the regional council meeting and congress. | Response<br>to CHSLA<br>drafted<br>and letter<br>sent. |          |
|     | IFLA APR expressed their regret and disappointment that CHSLA was unable to attend the regional meeting. IFLA APR Council stated that it always encourages all APR national association members including CHSLA to attend regional meetings and events.   |  |          |
|     | IFLA APR Excom proposed a Declaration from the meeting for discussion and ratification to support the statement. The Proposal: 'IFLA APR wishes to encourage landscape architects from the People's Republic of China represented by their official organisation CHSLA to continue to support the work of IFLA and IFLA APR on the regional and global level and to continue to attend all the IFLA APR council meetings.'  |  |          |
|     | IFLA APR further looks forward to continuing a positive engagement with CHSLA and receiving early advice regarding any difficulties they may face so that any concerns can collectively be resolved via dialogue. IFLA APR together with ILAM, the 2020 congress organiser, will use best efforts to ensure that there are no similar technical barriers to prevent any member nation from non-attendance.  |  |          |
