**IFLA APR EAA ANNUAL REPORT**

**Prof. Chun-Yen Chang, Chair, IFLA APR EAA**

## 1. IFLA APR Accreditation Panel review and support IPB from Indonesia to be the accredited landscape architecture program

The IFLA World Council, at its meeting in Montreal in November 2017, approved a proposal for the IFLA APR to conduct a Pilot Accreditation Review of the landscape programme at Institut Pertanian Bogor (IPB). The IPB University Bogor have submitted their annual report for the accreditation and showing the good progress towards to the accreditation goal.

2. Promoting landscape architectural programs to apply for a status through IFLA APR Education Accreditation Procedure.

Establishing the global accepted recognition and accreditation system for Landscape Architecture under IFLA, which is following the concepts of the LA program accreditation concept of Oslo meeting.

The idea of establishing the accreditation system and gaining the agreement within the member associations globally has been proposed in the Internet meeting of the IFLA World EAA.

### 3. Promoting communication and interactions among accredited landscape architectural programs.

We start working with CTLAS and TILA in Taiwan to establishing the Landscape Design Case Map in APR on the Google Map to establishing the database of LA projects and provide students learning opportunities from previous design. The initial work has been started in Taiwan and hopefully will be extended to the IFLA APR areas.

- A. Send awarded projects of IFLA APR and other recommended project names and locations to [cycmail@ntu.edu.tw](mailto:cycmail@ntu.edu.tw)
- B. Check the accuracy of the labeled locations on the Google Map
- C. Promote the information to the students in the LA programs
