Welcome IFLA2020

For the first time in the history of IFLA, the IFLA 2020 World Landscape Architects Summit will play a leading role in formulating and creating landscape architecture-based solutions, for a brighter future.

IFLA2020 will be the platform where regional delegates can share issues, ideas, and inspiration, to ensure the landscape architecture profession is ready to face the requirements of society, the environment, and urban living, for the next 10 years.
