# Establish the IFLA Archie Data Bank

The International Federation of Landscape Architects - IFLA

- was founded in Cambridge, England with Sir Geoffrey

Jellicoe as its first President in **1948**. It represented 15 states from Europe and North America.

Today IFLA represents 78 national associations from Africa, the Americas, Europe, Asia Pacific and the Middle East. IFLA is now in its 75th year and we would like to celebrate this anniversary all around the globe.

What should we do less?

- un-focused W&S
- less relevant activities
- prioritise tasks (less ambitious)
- too much talk and little action
- shorter exco meetings
- ↳ theme/topic-based
- focus rather on themes/topics annually
- less procedure

how can the regions help IFLA?

- disseminate info
- share regional priorities
- position papers
- better workplace representation
- info gathering
- market better IFLA and why is important (marketing)
- keep better archive/records
- better guidance from IFLA to regions
- how to get regions more actively involved in committees + W&S

What are the key priorities for the next 12 months?

Programme **EDUCATION RECOGNITION**

**\* TO WORK WITH THE REGIONS**

- \* Strengthen the Mission regarding Climate Change in Education Skills
- Connect the region: interact & exchange knowledge & experience
- Ask committee to communicate their work (visibility)
- OPERATIONALISE (AT LEAST TEST) A LOBBYING SERVICE
